ScanWise Implant

A key to confidence with **MR Conditional implants**

ScanWise Implant software helps you to confidently scan patients within the MR Conditional limits by providing step-by-step guidance to enter the condition values of the implant manufacturer. Your MR system then automatically applies these values for the entire examination helping you to simplify your scanning process for patients with MR Conditional implants. With ScanWise Implant you can increase referrals of patients with MR Conditional implants to your institution by confidently offering MR imaging to this growing patient population.

ScanWise Implant

Field strength	1.5T, 3.0T
Main applications	Can be used in routine exams, like brain, spine and MSK.
Workflow	Step-by-step guidance of scanning parameters as to adhere to the implant manufacturer conditional values. Enter parameters for all scans just once.
